Single Partners Program

Each Holland America ship hosts a Solo Travelers party for singles to meet each other early during their cruise. Solo travelers enjoy enriching activities with mixers, cocktail parties, games and more. In total, there are more than 40 activities to meet other singles including: exercise classes, enriching lectures (select departures), line dance class, wine tasting and cooking demonstrations, Team Trivia contests, the daily quiz, sports challenges and more. Many of the Single Partner Program guests have become fast friends and some even book future Holland America cruises together.

Guests can count on Holland America Line's gracious staff and crew to create a shipboard atmosphere of camaraderie making it easy and fun to meet other solo travelers. On most cruises of 30 days or longer, onboard Social Hosts welcome single women guests to dinner and dancing. By advance request, special effort will be made to seat singles with other singles at dinner.

Single guests who agree to share a stateroom with another nonsmoking guest of the same sex pay only the per-person, double occupancy rate. (If a partner is not available, the guest will cruise solo at the agreed-upon double-occupancy fare.) Single guests who prefer not to share a stateroom may book a double stateroom for 150 to 200 percent of the double occupancy fare, depending on the cruise and stateroom category. This program applies to selected staterooms on all ships in the fleet. The Single Partner Program is not available on Grand Cruises (Grand World Voyage, South America & Antarctic Voyage and Mediterranean & North Africa Voyage).
